Meaningful Moments

AT MIRAVIDA

Whether a student at Oshkosh West or resident at Gabriel's Villa, a competitive chess match is a great way to spend the afternoon.

George loved every minute of his first Cycling Without Age rickshaw ride and is already planning the route for his next outing.

Gabriel's Villa recently hosted a special breakfast for our local firefighters to let them know they are sincerely appreciated for their care and services.

BRINGING JOY AND HEALING

Residents across our campus enjoyed a visit from miniature horses, thanks to our partnership with BEAMING, a local organization offering life-changing experiences through equine companionship. The miniature horses awakened nostalgic recollections, sparked conversations, and created connections among the participants. It was heartwarming to witness resident reactions as they recalled cherished memories of growing up on farms or shared stories of beloved pets who have crossed the rainbow bridge. The physical, mental, and emotional benefits of these visits are truly remarkable.

Miravida Living recognizes and embraces the immense joy, fond memories, and healing experiences of pet therapy. Small pets are welcome in our 55+ apartment communities. Dogs regularly visit and spend the day with our residents in our health care settings, having a profound impact on the well-being of those we serve and the employees who serve them.

Live music, and an opportunity to share a dance ... what a wonderful afternoon at Gabriel's Villa.

LOVE WHERE YOU WORK

Celebrating the amazing contributions of three exceptional employees with a combined 125 years of work included delicious cakes trimmed with purple icing, laughter, and lots of stories. We have been blessed by their commitment to making Miravida Living a great place to live and work. Speaking of being a great place to work, we welcomed back 13 employees who left for a variety of reasons over the past years and have recently returned to our team. Before you know it, we will be celebrating their anniversaries!

WORSHIP AND FELLOWSHIP IN THE GARDEN | Over the summer, residents come from across campus to glorify God, lift their voices in song, and worship outdoors under a canopy of gorgeous trees with the gentle noise of the fountain in the background. Sunday services are held either in the Bethel Chapel or the Memorial Garden between Bethel Home and Carmel at 10:30 am, we invite you to join us.

YOUR GENEROSITY MATTERS

As a non-profit organization, your gifts are tax deductible.

Because of you, residents living on a modest income are able to experience joys like dining out and having their hair done. Thank you for giving generously.
